Our Lady Of Peace Communion 2018

Hello Parents,

We have been covering photography for Our Lady of Peace communions year after year and we are excited and blessed to start planning a new year. We thank God and Our lady of Peace family for allowing Photo Medina to be part of such a special day for the church, your families and most of all for your children.

Please review this informational packet, it will answer questions you might have Regarding the procedures, expectations and prices.

Our Services will begin on the day of your child's first holy communion. Only photos (still shots) will be taken. No Video will be filmed. Photos will be during entrance, during Holy Communion and a group photo outside with Our Lady of Peace Shrine.

To give you more options

Photos before Ceremony:

Before the ceremony we will be taking photos of children as they enter the gymnasium. (Please make sure to arrive on time if you would like a portrait of your child) This session will be from 1 pm to 1:45 pm in the Gymnasium. Only children will be allowed in the gym.

We also encourage photos of your children with their siblings. If you have any other relatives also having their communion on the same day, make sure your children connect with them once entering the gym to take photos with them.

Photos after Ceremony:

In addition, after the group photo, under Our Lady of Peace Shrine, we will stay to take photos of your children with your families. These photos are on a "first come first serve basis" and will require some wait time. If you have the patience and the time we highly encourage you to take photos, because you will be able to select from them as well, to print as part of your package at no additional cost.

NOTICE: Some children may not be photographed. More often than not children don't arrive on time or get distracted and don't take the photos in the gym. Some are too distracted during photos and are always looking away or down. We will encourage the children as best as it is possible.

Families that will not stay to take photos outside after the group photo will be allowed to take photos in our studio at an additional cost, with appointment only.
